

# Renaming a modification

To rename a modification:

1. In the Frosmo Control Panel, in the sidebar, select **Modifications**.
2. In the modifications list, [find the modification](#) you want to rename, and click the modification name.
3. In the **Basic settings** view, in the upper right corner, click the quick menu button, and select **Rename**.

4. In the **Name** field, edit the modification name.

A screenshot of the 'Name' field in the modification settings. The field is labeled 'Name\*' and contains the text 'Home page - Hero banner'. Below the field is a 'Description' section with a text area for entering a description. The text area is currently empty.

5. Click **Save**. The modification is renamed.
