

# Finding and sorting modifications

To find a specific modification, in the Frosmo Control panel, in the sidebar, select **Modifications**.

In the modifications list, you have several options for finding and sorting the modifications you want to work with:

- [Searching modifications](#)
- [Filtering modifications](#)
- [Sorting modifications](#)

## Searching modifications

To search for a modification, start typing the modification ID or name in the search field.

The screenshot shows the Frosmo Control panel interface. At the top, there is a search input field containing the text 'hero', highlighted with an orange border. To the right of the search field is an orange button labeled 'Create modification' and a question mark icon. Below the search field are two buttons: 'Select' and 'Filter'. To the right of these buttons are three dropdown menus: 'Show: Everything', 'Sort by: ID (creation time)', and 'Settings'. Below the dropdowns, it says 'Filtered 2 of 6 modifications'. The list shows two items: '63472 HeroBanner' and '63553 HeroCarousel', each with a green status dot, a clock icon, and a timestamp. To the right of each item is a text input field and a three-dot menu icon.

## Filtering modifications

You have the following options to filter modifications:

- To filter modifications based on case, placement, segment, label, or mode, click **Filter**, and set the filters you want.

The screenshot shows the Frosmo Control panel interface. The search input field is empty. The 'Filter' button is highlighted with an orange border. Below the 'Filter' button are five dropdown menus: 'Cases', 'Placements', 'Segments', 'Labels', and 'Modes'. Below these dropdowns, there is a filter tag 'HeroBanner' with a close icon. Below the filter tag, it says 'Filtered 1 of 6 modifications'. The list shows one item: '63472 HeroBanner', with a green status dot, a clock icon, and a timestamp. To the right of the item is a text input field and a three-dot menu icon.

- To filter modifications based on status, click **Show**, and select the statuses you want to see.

The screenshot shows the Frosmo Control panel interface. The search input field is empty. The 'Show' dropdown menu is highlighted with an orange border and shows a list of status options: 'Active 3', 'Inactive 2', 'Invalid 1', 'Upcoming', and 'Past'. Below the 'Show' dropdown, it says 'Filtered 4 of 6 modifications'. The list shows three items: '63472 HeroBanner', '63553 HeroCarousel', and '63737 Frosmo website test surety header', each with a green status dot, a clock icon, and a timestamp. To the right of each item is a text input field and a three-dot menu icon.

# Sorting modifications

To sort modifications by ID, name, last modified date, or placement, click **Sort by**, and select the sorting premise.

The screenshot shows a user interface for managing modifications. At the top left is a search bar labeled "Search modifications...". To the right is a "Create modification" button and a help icon. Below the search bar are "Select" and "Filter" buttons. A "Show: Everything" dropdown is followed by a "Sort by: ID (creation time)" dropdown, which is currently open, showing options: "↑ ID (creation time)", "Name", "Placement", and "Last modified". To the right of the dropdown is a "Settings" dropdown. The main area contains a table of modifications:
