

Finding and sorting modifications

To find a specific modification, in the Frosmo Control panel, select **Modifications > Overview**.

In the modifications list, you have several options for finding and sorting the modifications you want to work with:

- [Searching modifications](#)
- [Filtering modifications](#)
- [Sorting modifications](#)

Searching modifications

To search for a modification, start typing the modification ID or name in the search field.

The screenshot shows the Frosmo Control panel interface. At the top, there is a search input field containing the text 'hero', which is highlighted with an orange border. To the right of the search field is an orange button labeled 'Create modification' and a question mark icon. Below the search field, there are two buttons: 'Select' and 'Filter'. To the right of these buttons are three dropdown menus: 'Show: Everything', 'Sort by: ID (creation time)', and 'Settings'. Below the dropdowns, it says 'Filtered 2 of 6 modifications'. The list of modifications is as follows:

ID	Name	Status	Creation Time	Actions
63472	HeroBanner	Active	23.05.2019 10:25	[Input field] [More]
63553	HeroCarousel	Active	29.05.2019 12:10	[Input field] [More]

Filtering modifications

You have the following options to filter modifications:

- To filter modifications based on case, placement, segment, target group, label, or mode, click **Filter**, and set the filters you want.

The screenshot shows the Frosmo Control panel interface with the 'Filter' button highlighted in orange. Below the search field, there are two buttons: 'Select' and 'Filter'. To the right of these buttons are three dropdown menus: 'Show: Everything', 'Sort by: ID (creation time)', and 'Settings'. Below the dropdowns, there are several filter dropdowns: 'Cases', 'Placements', 'Segments', 'Target Groups', 'Labels', and 'Modes'. A filter 'HeroBanner' is applied, shown as a tag with an 'x' icon. Below the filters, it says 'Filtered 1 of 6 modifications'. The list of modifications is as follows:

ID	Name	Status	Creation Time	Actions
63472	HeroBanner	Active	23.05.2019 10:25	[Input field] [More]

- To filter modifications based on status, click **Show**, and select the statuses you want to see.

The screenshot shows the Frosmo Control panel interface with the 'Show' dropdown menu highlighted in orange. Below the search field, there are two buttons: 'Select' and 'Filter'. To the right of these buttons are three dropdown menus: 'Show: Active, Invalid', 'Sort by: ID (creation time)', and 'Settings'. Below the dropdowns, it says 'Filtered 4 of 6 modifications'. A dropdown menu is open, showing the following options: 'Active 3', 'Inactive 2', 'Invalid 1', 'Upcoming', and 'Past'. The list of modifications is as follows:

ID	Name	Status	Creation Time	Actions
63472	HeroBanner	Active		[Input field] [More]
63553	HeroCarousel	Active		[Input field] [More]
63737	Frosmo website test surety header	Active	17.07.2019 09:21	[Input field] [More]

Sorting modifications

To sort modifications by ID, name, or placement, click **Sort by**, and select the sorting premise.

The screenshot shows a web interface for managing modifications. At the top left is a search bar labeled "Search modifications...". To the right is a "Create modification" button and a help icon. Below these are "Select" and "Filter" buttons. A control bar contains "Show: Everything", "Sort by: ID (creation time)", and "Settings". A dropdown menu is open over the "Sort by" button, listing "↑ ID (creation time)", "Name", and "Placement". The table below lists four modifications with their IDs, names, status indicators, and creation times.

ID	Name	Status	Creation Time	Actions
63472	HeroBanner	Active	23.05.20	...
63553	HeroCarousel	Active	29.05.20	...
63737	Frosmo website test surety header	Active	17.07.2019 09:21	...
63809	Example with JSON schema	Invalid	01.08.2019 10:13	...
